“South Pacific Studies” is a semiannual, peer-reviewed, international and multidisciplinary journal of the Kagoshima University Research Center for the Pacific Islands which publishes original research articles on all aspects of the South Pacific and its surrounding regions. South Pacific Studies is open to all scholars and scientists. The South Pacific Studies accepts research papers, reviews, research notes and materials.

You can submit your manuscript ONLINE. Please contact to the managing editor (Sota YAMAMOTO: sotayama@cpi.kagoshima-u.ac.jp) if you would like to submit your manuscript to the journal.

All the communications relating to this publication should be addressed to the Publishing Committee, Kagoshima University Research Center for the Pacific Islands, Korimoto 1-21-24, Kagoshima, 890-8580 Japan. Fax: +81-99-285-6197. E-mail: shimaken@cpi.kagoshima-u.ac.jp. The list of the back number is available on request or at our WWW homepage: <http://cpi.kagoshima-u.ac.jp/publications/southpacificstudies/archivespst.html>.
