Research Paper
Takamiya, H. and Nakamura N.: The Beginning of Agriculture in the Ryukyu Archipelago ................................. 1

Instruction for Contributors ........................................... 35
South Pacific Studies is a semiannual, peer-reviewed, international and multidisciplinary journal of the Kagoshima University International Center for Island Studies (formerly Research Center for the Pacific Islands) which publishes original research articles on all aspects of the South Pacific and its surrounding regions. South Pacific Studies is open to all scholars and scientists. South Pacific Studies accepts research papers, reviews, research notes and materials.

You can submit your manuscript ONLINE. Please contact to the managing editor (Hiroto Takamiya: takamiya@cpi.kagoshima-u.ac.jp) if you would like to submit your manuscript to the journal.

All the communications relating to this publication should be addressed to the Publishing Committee, Kagoshima University International Center for Island Studies (formerly Research Center for the Pacific Islands), 1-21-24 Korimoto, Kagoshima 890-8580, Japan. Fax: +81-99-285-6197. E-mail: shimaken@cpi.kagoshima-u.ac.jp. The list of the back number is available on request or at our website: http://cpi.kagoshima-u.ac.jp/publications/southpacificstudies/archivespst.html.
