## ACKNOWLEDGMENTS

The editorial board tried its best to maintain and improve the quality of the South Pacific Studies with the help of many colleagues inside and outside Kagoshima University.

KODAMA S.  
Editor in Chief

The Guest Editors gratefully acknowledge the reviewers who generously contributed their time and expertise to this Special Issue. Their rigorous evaluations and constructive feedback significantly strengthened the quality and scholarly impact of the published articles.

We are pleased to recognize the following reviewers who agreed to be named: Professor Emeritus Sueo KUWAHARA, Professor Emeritus Yuji ANKEL, Professor Philip HAYWARD, Professor Henry JOHNSON, Associate Professor Magdalena KOLODZIEJ, Professor Keiko HARADA.

We also extend our sincere thanks to those reviewers who preferred to remain anonymous. Their contributions were equally valued and essential to the success of this issue.

PAPOUTSAKI E., LOH-KAZUHARA E. and KANESHIRO I.
